*Every finish line begins with a dream,
Long before the first runner takes a stride.*

*It starts with those who dare to imagine,
Who build the stage where courage comes alive.*

*Not every hero wears a bib.
Not every victory is timed.
Some victories are measured in the moments created,*

*The lives inspired,
And the memories that outlast the medal.*

Always and forever.

TIMING & RESULTS

At ACER RUN 2026, every second counts. Here's how timing, results and rankings work for your race day.

TIMED EVENT

ACER RUN 2026 is a chip-timed 5K event. Your official time will be recorded using a disposable timing chip on your bib.

NET TIME

Net Time: From the moment you cross the start timing mat to the finish timing mat.

WEAR YOUR BIB

Wear your bib on the front of your vest, clearly visible at all times. Do not fold, tamper or cut the bib.

FINISH CORRECTLY

Your time is recorded only when you cross the start, split point & finish timing mats. Please follow the marked route and do not take shortcuts.

HOW TO ACCESS YOUR RESULTS

All results for ACER RUN 2026 are available exclusively on the STS (Sports Timing Solutions) website.

1. Visit the STS website: www.sts.run
2. Click on "Results"
3. Enter your Bib Number or Name
4. View and download your timing certificate

TIMING & RESULTS INFORMATION

- All finish results are provisional until confirmed by the Sports Timing Solutions.
- Results will be processed after checking anti-cheat devices placed across the course and at the finish line.
- Provisional results will be available shortly after you finish.
- Final results will be published on the official website and our social media channels.
- In case of any discrepancies, the decision of Sports Timing Solutions will be final.

ANTI-CHEAT DEVICES

Multiple cameras are strategically placed to ensure a fair and transparent race for all.

DIGITAL CERTIFICATE

Download your Timing Certificate from Sports Timing Solutions website.

AWARDS & PRIZES

Provisional prize winners will be announced after final results are confirmed.
